Our Mission:

To provide public health services needed to the residents of Grundy County to prevent illness, promote healthy lifestyles and protect against public health threats. We strive to improve the health of the people and communities we serve through healing, caring, and teaching.

Our Vision:

To collaborate with community partners, creating alliances that positively impact the health status of the individuals and communities we serve, while providing quality and cost-effective health care services. Programs and services are available for all ages to prevent illness and injury, promote healthy lifestyles, and protect the health and safety and individuals and the community.

Public Health
Prevent. Promote. Protect.
